

Top Maritime College In India

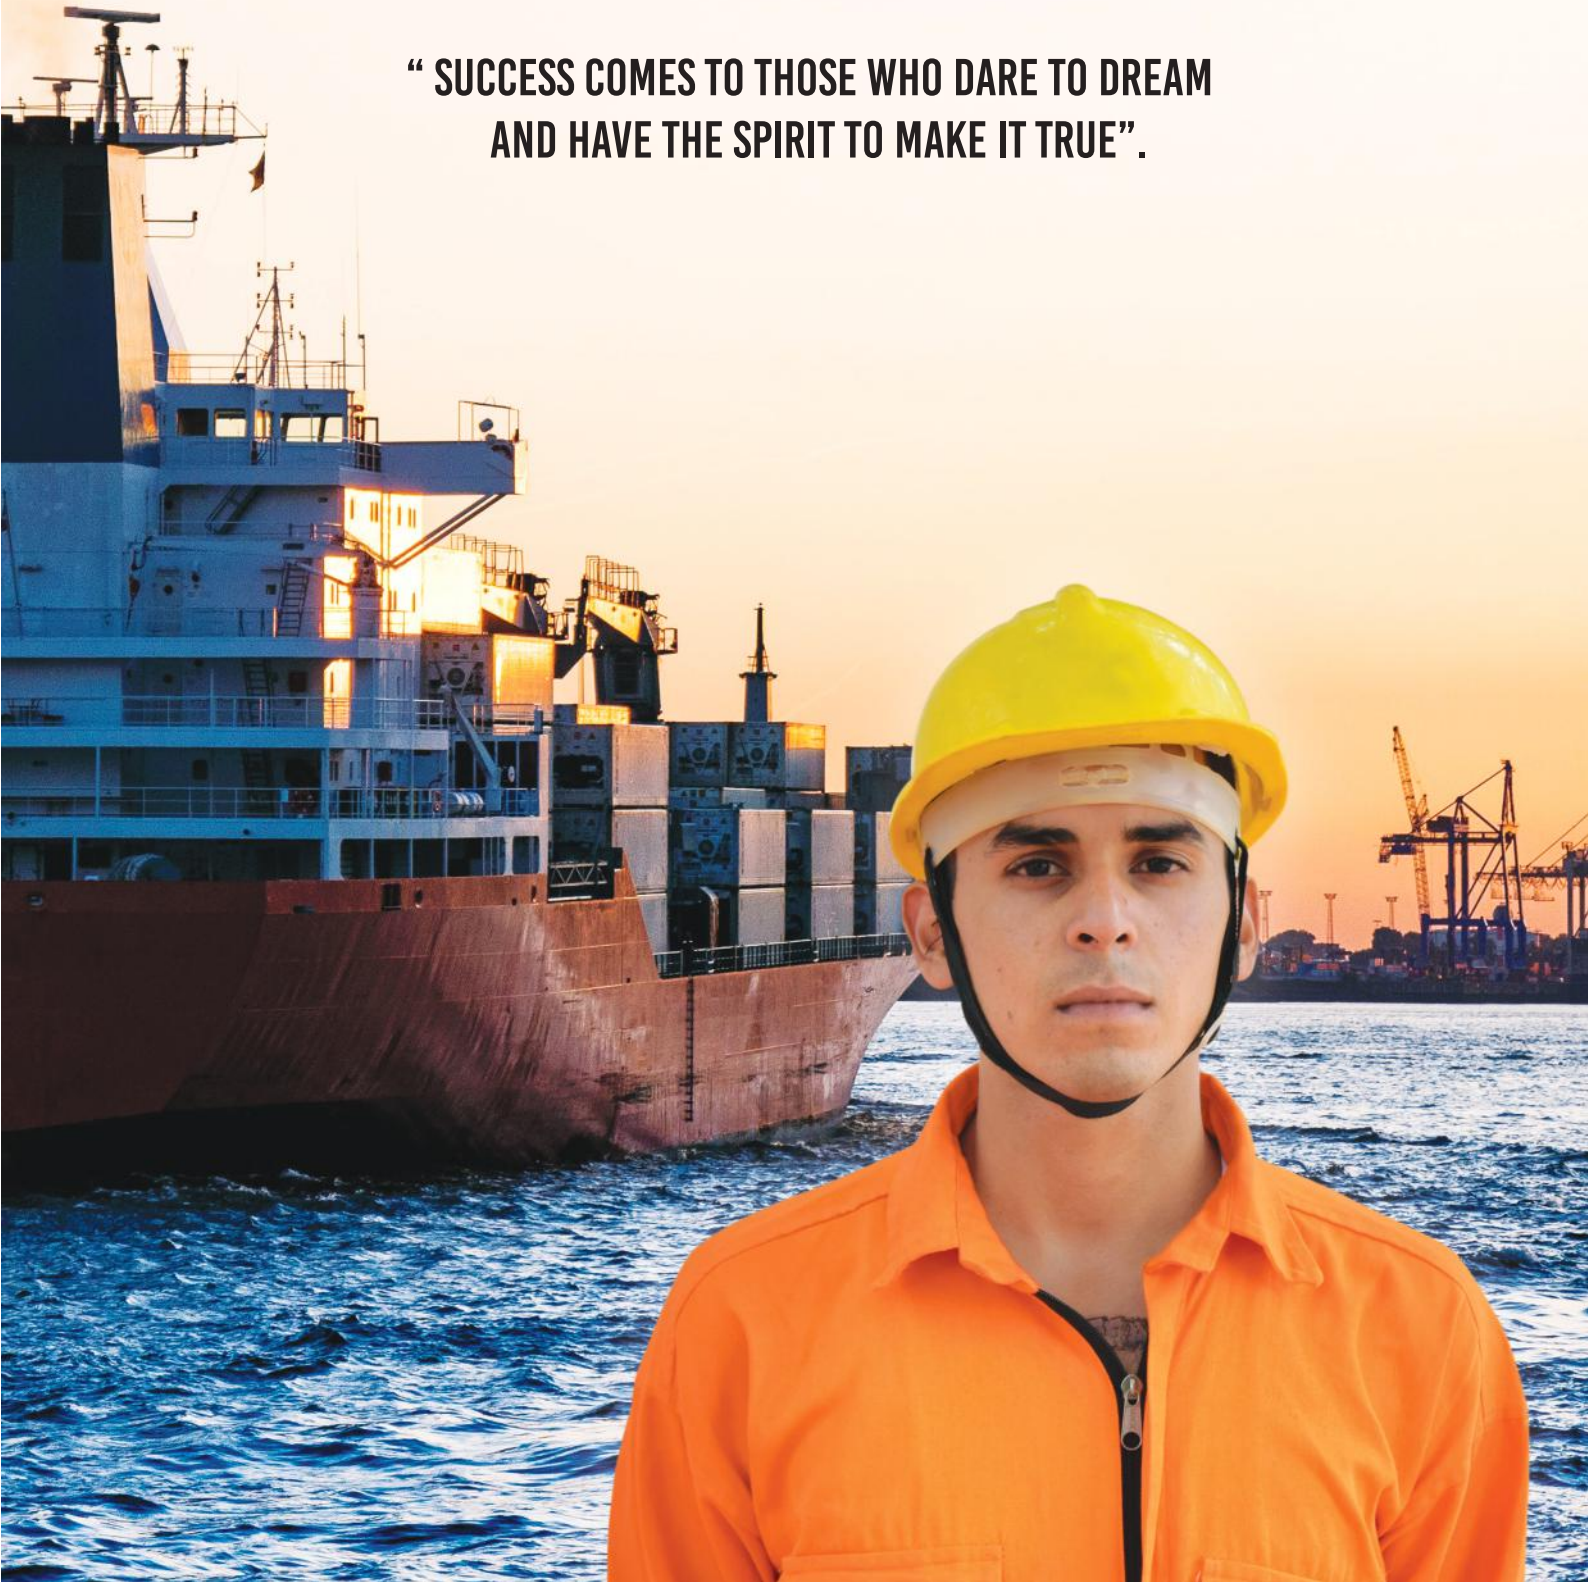

SRI CHAKRA MARITIME COLLEGE

(An ISO 9001: 2015 Certified Institutions)

(Approved by D.G.Shipping Govt. of India)

**“ SUCCESS COMES TO THOSE WHO DARE TO DREAM
AND HAVE THE SPIRIT TO MAKE IT TRUE” .**

DIRECTOR'S DESK

KVR SRINIVAS

MA, MBA, B.Ed

Director – Srichakra Maritime College (**SMC**)

Education is not learning of facts, but the training of the mind to think, SMC is an institute in this direction of creating people to think rather than just learning. An enthusiastic entrepreneur who always think out of his hat and he also a well reformed social worker who always think to give back to the society.

Mr. KVR Srinivas – with 25 years of experience in Maritime Industry. He holds different hat as Director of SMC and Managing Director in Adarsh Ship Management Pvt. Ltd. As a founding member of SMC with vision of creating SMC world class institute for all classes.

His leadership skills, unique approach, belief in delegating responsibilities and commitment towards what he takes up, made him stand out of the crowd. Though as a Director and ware many hats to his credit but he always keeps his feet on the ground Trained and placed 4000 aspiring Indian youth to the merchant navy, his vision is to place more than 1 lakhs students or sailors in merchant navy to enhance their career.

We would be delighted to welcome aspiring students to join the Merchant Navy by opting to do professional courses from our Institutes and benefit towards progressing one's goal.

CHAIRPERSON

Mrs. Usha Sriniva

LLB, MBA & PGDCA

Chairperson – Srichakra Maritime College (SMC)

Mrs. Usha Srinivas has been associated with Srichakra Maritime College right from the time of incorporation. Her contribution as a Leader and educationist has always given a new dimension to the growth of the Institute.

She always involved in strategic decision of the Institute and believe in achievement through proper planning & execution in a most logical way. She completed her LLB, MBA & PGDCA and apart from that pursue her hobbies towards Vedic Education. She has also taken many initiatives towards “ Education to Rural Youth” and envisaged the importance of Rural education in many platforms where she gets an opportunity to address the parents, educationist and students.

As she involved herself in the education sector for more than a decade irrespective of personal commitment as a Mother, taking care of her children’s education and their growth without any compromise.

Now as the kids are grown up her involvement towards the Institute has increase and as the institutes grow, in the coming years she will be an avid contributor for the education and be the change maker in the field of education in India.

PRINCIPAL

A Mechanical Engineer from Madras University having 34 years of experience in Merchant Ship and sailed as Chief Engineer in global shipping companies.

Welcome to Sri Chakra Maritime College, our institute is not just a teaching place it is place where holistic development of the students are done. Marine profession requires not only academic strength needs physical and psychological strength to grow. As a maritime institute we concentrate on all round performance. There is no room for margin of error in our profession 100% perfection required as it always other person depends on you, so be ready for 100%.

We Sri Chakra Maritime College have the facility to make you to grow academically, physically, psychologically. As a seafarer we get very challenging situations in our sea carrier after succeeding the situation it gives an immense pleasure and work satisfaction. If you love your profession you will be best.

Er. Venkatesan

BE., MBA., (PhD)., MOT- Ist Class., TOTA

About

SRI CHAKRA MARITIME COLLEGE

Vision

To offer quality education and training to fulfil the Maritime requirement in the society. Vision is to bring in all class of people and encourage them to be the part of Merchant Navy career.

Mission

Provide the students state of art facilities and quality education to meet the global standard in the maritime industry . Enhance the knowledge of the students through discipline, awareness on environment and safety aspect the seafarers.

M/s. Sri Chakra Maritime College,(SMC) Puducherry, under the management of M/s. Srichakra Charitable Trust provides various maritime related professional courses for advancement of student's career. Started in the year 2003 at Pondicherry. SMC is one of the pioneer institute in Maritime and certified to ISO 9001-2015 by IRQS, approved by DG Shipping, Government of India and also Awarded Grade A1 (Outstanding) by Indian Register of Shipping and Its strictly enforcing globally recognized training standards for seafarers which offers shipping courses in India .

SMC institutes located at lush green campus at Pondicherry with State-of-the-art Facility and well equipped to impart the training for Maritime Professionals to achieve requisite standard of competence in the Merchant Navy which is dedicated and offer best courses in shipping . Its The Institute employs highly qualified and competent faculties for designing a structured and disciplined training schedule for seafarers.

SMC have strategically signed an MOU with Nelson Marlborough Institute of Technology (NMIT) located in Nelson, New Zealand to offer Diploma in Marine Engineering Class 3 and 4. NMIT is the premier institute in New Zealand offer various courses over 100 years, NMIT considered to be the premier institutes offering International shipping courses abroad.

SMC know as trend setter when it comes to imparting knowledge transfer to its students, SMC has created All India Rank 1 in GP Rating course in its Batch 23, Mr. Gurwinder Singh secured the 1st Rank followed by Mr. Kumar Ritesh Vishal Dager of Batch no. 25 and Batch 28 respectively secured 2nd All India Rank. Vishal Singh secured 6th All India Rank in Batch No 28 and set the trend to follow.

MERCHANT NAVY

IS A CHALLENGING CAREER.

It provides edge towards any other career few of them are like

- **Sailing Around the World**
- **Visit International Places**
- **Experience Different Cultures**
- **Lucrative Profession**
- **Make you an able Leader - capable of working demanding environmental and global conditions.**
- **Tax Free Job**
- **Long Vacations**

Indian Seafarers are in demand throughout the world for merchant shipping mainly because of low cost and skilled seafarers. Marine industry have seen immense growth and it will increase in the coming years as well , increased port facilities, increase cargo transaction and growth in shipping companies across the globe are the main factors towards the growth.

Merchant Navy basically deals with transportation of over 90% of Cargo and remaining with Passengers. Its fleet therefore comprises:

- **Passengers liners**
- **Cargo Vessels**
- **Tanker Vessels**
- **Gas Carriers**
- **Bulk Carriers**
- **Container Vessels**

Merchant Navy comprises of mainly three different streams like :

NAUTICAL OFFICER

ENGINEERING

SALOON

The above department officers are employed by shipping companies on a contractual basis of six to nine months duration. Women seafarers are also entering in to merchant Ship as it was not the case in earlier years. Women are seriously looking as a career option in different field like Deck, Engine or in saloon.

We at Sri Chakra Maritime College have highly qualified professionals across the stream to train the students not only academically but involve in the holistic growth of the students. On completion of the training the candidates are assured with placement opportunities globally.
